Subject: NPL Rules to be published on Furlough Friday

We have received confirmation from the Federal Register that the NPL rules will be published this Friday, May 24. The HQ press release was issued yesterday afternoon and the pre-publication web info went up on the Superfund website yesterday afternoon. Due to the furlough day and holiday, the Superfund website will not be updated again until Tuesday May 28.

The comment period end date for the proposed rule will be July 23.

Hope everyone has a great furlough/holiday weekend!
